Re: Notice of Violation
RCRA Compliance Evaluation Inspection
EPA ID No.: ILD 984 783 290

Dear Mr. Franke:

On July 28, 2016 a representative of the U.S. Environmental Protection Agency inspected the Glenbrook Hospital (Glenbrook) facility, located in Glenview, Illinois. In response to violations of the Illinois Administrative Code (IAC) and the Code of Federal Regulations (CFR) identified during the inspection, EPA issued a Notice of Violation (NOV) on September 3, 2016. Subsequent to EPA's NOV, Glenbrook submitted information regarding the identified violations in correspondence via email dated August 22, 2016 and October 12, 2006.

This letter is to inform you that EPA has reviewed Glenbrook's response and determined that no further enforcement action will be taken at this time. This determination does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. Thank you for your cooperation.

If you have any questions or concerns regarding this matter, please contact Sheila Burrus, of my staff, at (312) 886-3587.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Cunningham".
